

Chief, GSD

4 January 1965

DAD/S&D

I would like to have the approximate start dates and the stop dates and the costs incurred for the following items of equipment if you can conveniently put it together. If you can't - sort of ignore it. I would also like to know the total number of equipments purchased.

25X1A

25X1A

I would also like to have start, stop and costs information on the contract. I would also like to know the cost of a
